PS* We ♥ You!

A special *parent support* group for anyone who wants to have better relationships.

Being a parent is probably one of the toughest jobs that we ever do. Today's families face many obstacles. *Maybe we can help!*

Join our group-it's FREE...We meet on the 1st and 3rd Thursday of each month (excluding summer months) from 6:15 to 7:45 p.m.

Who can come? Any parent. We laugh, we learn, we share & we love-our children, our grandchildren and each other.

Our group invites speakers to deal with topics of interest to the group including stress, health issues, budgeting and banking, adult education opportunities, and child rearing. We are also a member group of the CAPA Holiday Wish Tree Program. Qualifying families receive gifts for dependent children living in their homes.

"Participation in our group often leads to opportunities to improve our lives," said one member. To speak to someone in the group, please call Lena at 843-597-3358 or 843-522-8414.
